CS Club Programme: August 2021

The Club programme is ideal for clubs or groups who purchase larger volumes of equipment throughout the year and wish to lower their purchase costs. This programme applies to **PBT, QPSport, Leon Paul** and **Favero** equipment, **all of our blade and shoe brands** only. There are three (3) tiers of cost savings depending upon the volume purchased within any 12 month period. The more purchased, the higher the level of discount. Here is the programme:

- The programme applies to a 12 month window starting with an initial order of greater than \$1000 before taxes and delivery costs.
- For goods purchased online at www.crossedswords.ca a credit will be added to the customer's account for future purchases.
- For goods purchased using a purchase order, a quote will be generated showing the discount.
- All payments (eInterac, Visa, MasterCard or Interac in Winnipeg) must be received before the order will be processed.
- Only **PBT, QPSport, Leon Paul, Favero, All blades and Shoe** Brands qualify (see web-store for selection).
- Blades can either be purchased using the Blade Programme or the Club Programme. The programmes cannot be used together.
- Shipping is charged at cost for domestic orders.
